## Winter Appeal 2009

*A word from Michael Madden  
Manager Promotions  
& Community Relations*

Dear Friends and co-workers, greetings to you all and thank you for assisting the vital work of Lutheran Community Care (LCC), without your help we would not be able to achieve the things we do in the lives of so many who come to us for help.

The Winter Appeal is upon us once again and although for most of us time seems to fly when one is so busy about the Lord's work, spare a thought for those who feel time drags on during cold winter nights. Some will go hungry and feel the cold unless we help them. On the back page of the Update Newsletter there is an urgent request for sheets and flannelettes as we are out of stock for these items - and there will be an ever increasing demand from individuals and families to keep warm at night during winter. Please make sure this message reaches your congregation, thank you.

Once again the Update Newsletter features stories, and this issue is focussed on our wonderful volunteers and you are one of them too! We want to thank God for all you special people who work so hard in getting the news and information out to your respective congregations. Thank you again and again.

**Michael**

### ***New Shopping Bags Galore!***
